To Whom It May Concern:

Re: Letter of Recommendation for Judy Arnall

On October 27, 2012 we at Kidz 1st Network Parent Link Centre held our 6th Annual Early Learning and Childcare Conference. This one day conference is open to parents, dayhome providers, daycare workers, and early childhood educators caring for children from 0 – 6 years of age. This year we had the pleasure of parenting expert, Judy Arnall, present a variety of topics from her bestselling book, *Discipline Without Distress*.

Judy discussed three topics during the day, Discipline Without Distress, Multiple Intelligences, and Brain Building Play Ideas. All of the topics were well received by the 95 attendees and conference committee members. Judy is very knowledgeable and kept the attendees engaged with worksheets, videos and personal examples. She was prepared, organized and very approachable throughout the planning process and conference.

I would have no hesitation recommending Judy as a presenter for any conference or event.

Sincerely,

Coralee McIntosh
